

HELACLOUD SDS

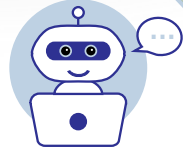

Upload
Supplier SDS

Automated
extraction & check

Validate
the SDS data

Upload to SAP
and other ERP

HELACLOUDSDS

- + **Time savings:** automate data extraction and plausibility checks for incoming SDS
- + **Easy to use:** Verify SDS data on the spot
- + **Supportive:** Compare SDS with previous versions and your ERP data
- + **Direct SAP update:** load data and match supplier phrases with your content.
